

## Speech Therapist Questionnaire

Are you certified through ASHA?

---

---

Do you hold a state license? (48 states require licensure to practice)

---

What specialized trainings have you taken for specific techniques? (PROMPT, SOS, etc)

---

---

---

Do you have experience treating children like mine?

---

---

---

Can I participate in therapy?/ How will I be involved in the therapy process?

---

---

---

Will you provide me with ideas, tools, homework that I can do to help carryover skills at home?

---

---

---

What treatment approaches would you recommend and why? Clinicians who understand why treatment works (or why it does not) can troubleshoot and adapt therapy to suit the client's needs.

---

---

---

---

Do you collaborate with other members of my team?

---

---

What do you want to know about my child? \_\_\_\_\_

Can I talk to some parents who you have worked with?

---

---
